DEALER ADVANTAGES

NO MORE OVERHEAD / SALES COST

Earn money from your relationships without the associated overhead and with minimal sales cost.

SHARE IN MAINTENANCE / SUPPORT REVENUE

Eliminate collecting maintenance agreements. We provide monitoring/alerts, support to the client, and you share a percentage of the service fee.

INCREASE INSTALL REVENUE

Get exclusive installs when you connect us with your existing non logger relationships.

SALES TEAM INCENTIVES

Motivate your sales team by providing an easier way to sell logging services.

NO COLLECTION ISSUES

No more headaches. Sit back and let us handle the collections process for the install, sale, and management.

MAKE THE INTRODUCTION

Chances are you know someone in the field of Public Safety, Campus Security, Healthcare, Call Centers, Utilities, or Transportation that does not have a logger.

WE'LL TAKE IT FROM THERE

Your sales representatives team won't have to deal with the hassles of long sales cycles, unanswered phone calls, demos, quotes, follow ups, or dead end leads.

- ZERO Overhead Costs
- 20% of The Transaction for the Introduction
- 25% of Yearly RevShield Support
- 100% Guaranteed Hourly Service Rates
